
Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you. For everyone who asks receives, and the one who seeks finds, and to the one who knocks it will be opened.

—Matthew 7:7-8

Essentials for Vital Prayer

Prayer is the Christian's Declaration of Dependence. When we pray, we reestablish the reality of our complete dependence on God our Creator. Four elements are essential for life changing communion with God.

- **Gratitude:** Notice what God is doing in your life and say, "Thank You." Make the connection between what happens in your life and God's working. Honor Him as Creator and Provider.
- **Confession:** Admit to God (and to yourself) that you are a sinner, guilty before your Creator. Search your heart and mind for any thoughts, words, actions, or habits that violate God's perfect will, and ask Him to forgive you in the name of Jesus Christ.
- **Request:** Ask God to supply what you need, using all His wisdom, love, and power. Trust Him to do what is best, no matter how He answers. Bring everything to God in prayer. You can tell Him everything, ask Him for anything, trust Him in all things.
- **Fellowship:** Treasure your time in God's presence. Let the things He does teach you how wonderful He is. Allow God to make Himself the love of your life.

Bible Reading Plan and Prayer Guide

(Year ONE) January 2015

Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth.

—2nd Timothy 2:15

Bible Reading Basics

As you read the Bible, engage your mind. Understanding will develop into character, as you consistently apply the following principles.

- **Observe what the Bible says.** Answer factual questions: Who? What? When? Where? Is the passage you're reading a story, a letter, a proverb, poetry, prophecy, or law? Does the language create a picture, give a description, explain, argue, illustrate, or command? Know the context of the passage you're reading. Identify main and supporting ideas. Notice repetitions, comparisons, and contrasts.
- **Interpret what the Bible means.** What do you need to understand? Why is it important? Consider the outcome of events in stories. How does God evaluate what happened? What does the Bible describe as true or false? Good or bad? Wise or foolish? Trustworthy or deceptive? What truth does it reveal about God, Man, life, the world, the past or future?
- **Apply what the Bible teaches.** Look for truths to believe, commands to obey, promises to trust. Consider positive examples to follow and negative ones to shun. What should your mind know, your heart value, or your will choose? Relate Scripture to your own life. Identify directions to pursue and dangers to avoid.
- **Look to Christ in its pages.** Jesus Christ is the one true God. He is the one Who speaks through the pages of Scripture. He alone tells us the truth of our origin, our fall into sin, God's perfect standards and just judgment. The Bible leads us to Jesus Christ alone for salvation.

God's Word is effective. It changes lives by leading people to Christ, the Author. Read the Bible regularly, so you can come to know and love Him. Draw close to Him. Obey His Word.
