

# Time with God

## Northpoint Evangelical Free Church Devotional Plan

*"And we proclaim Him . . . that we may present everyone complete in Christ."* --Colossians 1:28

This **Daily Bible Reading Plan** offers several features to aid you in your journey through the God's Word.

**Perspective:** Reading from four separate places in the Scripture every day, helps to reveal the unity of the Bible, as you enjoy it from four different viewpoints.

**Flexibility:** You can begin at any point in the year. Also, this plan gives you only twenty-five readings each month. If you fall behind, which most of us tend to do when following a Bible reading plan, the extra "free days" each month give you a chance to catch up on any readings you've missed.

**Opportunity:** If you finish the month's readings by the twenty-fifth, you can use the final days of the month to study passages that challenge or intrigue you.

**Options:** If reading through the entire Bible in one year looms as too large a task, you can alter the plan to meet your needs. For example, you could read the gospels and wisdom books this year and the other two categories next year.

In the year ahead, **ask God each day** to speak directly to you from Scripture. Be expectant, and let your continual exposure to God's Word reshape your attitudes and behavior, as you gain a better understanding of every part of His written testimony to us.

Your **Daily Prayer Guide** helps you pray strategically and comprehensively. Each day, confess your sin to the Father and ask His Spirit to fill you and form the character of Christ within you. Punctuate your prayer with praise and thanks. Notice what God is doing in your life, and give Him the glory He deserves.
