
This is the season of Pentecost, when we remember the birth of the Church. The day the Spirit of the living God came down and entered into His people. The events of Pentecost culminate Christ's work while He was here on earth.

With the Holy Spirit in us, we, the Church of the living God, have the power of God inside. We are the unstoppable force of God on earth. Northpoint Church is a people, not a place, and God Himself lives inside us. God has been at work in our body, through all our history. Right now He is shaping us for the great work He has for us in Corona and throughout the world.

The Fire has fallen. God lives within us and is working inside us. He desires to accomplish much through us. Let's link ourselves to Him and His purpose.

Pray audaciously ...

- That God will make us receptive to His will for us as a church
- For confidence in what God will accomplish, as we are faithful to Him
- For unity and cooperation with each other as a body
- For willingness to let go of the things of this world in order to serve God's kingdom as His people
- For one mind: a devotion to God that unites us as a body
- For increased devotion to prayer
- That the Gospel will be central to our message and responsible for our growth

Bible Reading Plan and Prayer Guide

(Year TWO) June 2018

You will receive power when the Holy Spirit has come upon you; and you shall be My witnesses both in Jerusalem and in all Judea and Samaria, and even to the remotest part of the earth. –Acts 1:8

What Are We Waiting For?

For ten days after Christ ascended back into heaven, His disciples waited, watched, and prayed. Their Savior was gone, but His promise was coming. They then, like we do now, looked daily to God to accomplish His mighty work through His chosen people. All 120 of them.

What were they waiting for? The promised coming of the Holy Spirit. The unique mark of the people of God has always been His presence among them. The hearts of the Canaanites melted when they found out that the God who had devastated Egypt was coming to them along with the people of Israel (Joshua 2:9-11). When the Philistines captured the Ark of the Covenant, their triumph turned to embarrassment as their idol, Dagon, fell down before Him and disease spread among the people (1st Samuel 6). No one could stop Israel. They were the people of the LORD.

But even the people of the LORD were not immune to the consequences of sin, and Israel trembled at His presence when the LORD appeared to them. Fire and smoke shook Mount Sinai, and no one was allowed near. Touching the ark where He resided brought death. With disobedience came judgment. In time, after Israel became hopelessly steeped in sin, the fire that represented the Shekinah glory of the LORD rose up from the temple and left, just as God's judgment was about to fall.

Jesus' disciples were waiting for the Fire to fall. They sought the return of God's presence. Isaiah had promised the coming of Emmanuel, God with Us, and He had come in the person of Jesus. Now Jesus was gone and something new was coming. God within us. That's what the disciples were waiting for.
