May

We are here to show God off and to enjoy Him forever!

May this month of May be one of giving thanks to the Lord with our whole hearts as we glorify His name forever! Let us all continue to be excited in our prayers, as we ask the Lord to protect our church family and as we continue to grow closer to Him and to each other. And may we also find more and more ways for your children to connect with others that will result in forever friendships. We promise to do our best in supporting you as you model a life with Christ as your Lord and Savior before them. We are delighted God brought you here to be apart of His Northpoint family.

Program Details:

We are delighted that our nursery and Sunday school programs for all children are up and running during the 9:00 a.m. worship service. We are also currently planning for the children's next VBS/Vacation Bible School and Winter Camp programs. This is the time of year that we ask all parents who want their children to attend Sunday school, or any other programs, to please register their children as soon as you are able. **Register** at northpointcorona.org/ministries/npkids/ or look for our **QR Codes** around the **NP KIDS' Check-in/Registration Room** at end east end of the Water Wall.

For your child to attend Sunday School, please check them in before the church service starts at 9:00 a.m., at the NP KIDS Check-in/Registration Room, which is located east of the water wall. Once registered, all children who are in kindergarten and under will be taken by their parents, to their classrooms. All 1st through 6th graders will begin the morning with their parents in the Worship Center. After the first two songs, the elementary children will be dismissed by the worship leader to their Sunday school teachers, who are waiting in the back foyer to take them to Sunday school. During the last song of the worship service, all the elementary children will be returned to their parents in the Worship Center. All younger children will be in their classrooms waiting for parents to them pick up as soon as the church service is over. Because our amazing teachers and helpers come at 8:30 a.m. to be ready for your children, I do want ask all of you [early childhood parents to please pick up your children as soon as the church service is over.](#) That way, teachers will have the chance to fellowship before second service begins. If you want to linger with your friends (And please do!), know you can use the playground as long as you wish. Make a lunch and stay all day :)

We encourage you to make family time with your children to review their Sunday school lessons through the **NP News**, our all-church email that goes out each Thursday. Each lesson is dated for the month. We hope this tool becomes one of your family traditions. If your child happens to miss a Sunday, we will keep the past Sunday's activity pages/materials outside the Resource Room (located under the east stairway) for you to pick up day or night. To receive **the NP News**/all-church email, please contact Bob Brown at bbrown@northpointcorona.org.

If you'd like to help out once a month or bi-monthly serving on our children's ministry team, please email Terilyn Brown at tbrown@northpointcorona.org. If you are unable to help at this time, we would love to hear how your children are doing and if there is anything more we can do to make their experience here better and better.

For God's Kids, Terilyn Brown

Northpoint's Director of Children's Ministry

Babies and Toddlers and Children with Special Needs

If you have a baby, toddler or a child that has a special need, we want to be prepared to give them a safe and wonderful experience. Please email Dani Tiqui as soon as you can, so she has time to arrange teachers and helpers to volunteer care for your child. Dani will confirm with you when we are ready to serve your child. Dani's email is; dtiqui@northpointcornona.org If you contact her later in the week, please text her at 951.264.4169.

Our **Nursery** is north of the Check-In/NP K!ds Registration Room and our **Sidekick Room** for any special needs children that might need to take a break from their peers/Sunday school class is Room 108.

We also have a family room in the Worship Center if you choose to keep your little one with you.
