### July & August

Loving God + Loving One Another + Reaching His World

Dear Parents,

We are so honored that you include us in your family's life. A joy-filled summer it continues to be as the children have moved up to their new grade classes and are getting more and more comfortable as they all continue to make Northpoint their very special place. It's a place they get to come every week to get strengthened and refreshed with the Word of God and with their relationships with their peers and teachers. Thank you for bringing them, and please invite other children to come so this place can be even more blessed!

And speaking of bringing children, July and August are wonderful months of outreach here at Northpoint. Would you consider buckling up another child in your car and bringing them with you on a Sunday morning or to VBS? You might be the tool God uses to bring a child and/or their family to a forever relationship with Him! Thank you in advance for this and for praying for VBS. Pray that God would be glorified, and that He would open the hearts of many children and their families this summer season.

For God's KIDS,

Terilyn Brown
