## March 2025

Loving God + Loving One Another + Reaching His World

Dear Parents,

Let's march strong this March! Our second service program is happening, and we are ready to serve more children. Would you please ask the Lord to help you be open and creative in finding ways to get other kids to come with you to Northpoint, whether for first or second service? Here's an idea: How about inviting your kids' friends, soccer team, or whatever for a Saturday sleepover and then taking the lot to church on Sunday to experience our NP KIDS program? And with Easter coming up, do it on Saturday, April 12, so they'll get to attend our special Easter celebration on Sunday, April 13 (there's no KIDS' program on Easter morning)!

We are so incredibly blessed to know our Savior and what He has done for us. Is there anything more important in life? Jesus wants us to be faithful in reaching His world. May we pray for opportunities to invite others to experience what we experience with the living God. You go, NP KId's parents, you go!

*Our family memory challenges this month are:* (underlined for younger)  
**Romans 8:28:** "And we know that for those who love God all things work together for good, for those who are called accordingly to His purpose." God tells us that if we love Him, He will never leave us alone, no matter what happens. Even when things are bad and difficult, and we don't understand His plan, He will use those times for His glory, our growth, and our good.

**Romans 4:3** "Abraham believed God and it was counted to him as righteousness." Abraham believed God's promise that his descendants would be as numerous as the stars. Abraham's faith made him right before God.

For God's KIds,

### 1st - 6th Grade/Elementary

8:45 or 10:30 ~ Parents check in their children at the **NP Kid's Check in Room**, which is the room east of the Water Wall.

Children will go with their parents to the **Worship Center** until dismissed from the pulpit to the **Courtyard**, where they'll be divided into small groups with their teachers and start their rotations of Bible lesson, playground, snack, big group worship, and lesson review. Small group grade signs are posted outside each classroom.

10:15 ~ **Parent Check Out** ~ Parents check out their elementary children from inside the **Playground**. When your child leaves they are to gather their belongings and a **Family Time Review** half sheet as they say goodbye to a gatekeeper with their parent along side them.

### Playground Fellowship & Safety:

Please come to the playground after the church services and enjoy some great fellowship with other families and your children's teachers as you watch your children play. Parents are in charge of their child's safety after the services. We recommend that children in kindergarten and under use only the play equipment on the north side of the playground. Ministry helpers will be watching the playground gates and will not allow any child to leave without a parent. If you would like to be a gatekeeper and help us with this current need, please sign up once a month and be one of our safety gatekeepers for 20 minutes after a church service. We could use your help. And, your children can be at play as you serve.
