Loving God + Loving One Another + Reaching His World

Happy Summer!

I remember being in elementary school, and how moving up to a new grade made me get a nervous stomach ache. I was chatting with a few of the older Northpoint K!ds this past Sunday, and they told me they were excited to be moving up and how they love coming to their Sunday School classes. Now, is that one of the greatest comments a teacher could ever hear, or what? And I do admit, I love it when your kids get upset when you come to pick them up to go home, and they complain that they need more time here!

With this in mind, I want to challenge you to take advantage of our new NP K!ds' second service program we call "Hang Time". You can go to first service while your K!ds go to Sunday School, and starting at 10:30, you can check-in your K!ds again for this new second service fun-time program. Then you can get coffee from the Courtyard and fellowship around a table, or chat with other parents in the Playground, or take in a Sunday school class until noon.

Speaking of having children stay with us longer, summer is a wonderful time for outreach to other families. Consider buckling up another child in your car and bringing them with you on a Sunday morning, or to our VBS this summer. You might be the tool that God uses to bring a child and/or their family to an eternal relationship with Him!

Please keep our childrens' ministry in your prayers, that God would be glorified, and that He would open the hearts of many children and their families this summer.

You go NP K!DS' parents, grandparents, and friends, you go!
